

Housewarming Kits

The items below are suggestions for starter kits for shelter residents moving into their new homes. On average we could use two per month packaged in a large kitchen trash can. We recommend Target, Walmart or Ikea as affordable retailers for many of the things on the list. Feel free to include an encouraging greeting card! Please contact Monteith Mitchell, Volunteer Coordinator, at mont@grassrootscrisis.org if you have any questions and to arrange delivery of kits to 6700 Freetown Road in Columbia.

Cleaning Supplies

- Dish detergent
- Sponges and/or dish cloths
- Dish towels
- Multipurpose disinfectant
